

## PRODUCT PORTFOLIO

# The luxury of choice

We strengthened our presence among customers with 40+ new product and 150+ variants launched in FY 2022-23. Some notable ones include the launch of India's first CNG vehicle in the MHCV category, and rolling out the Yodha 2.0, Intra V20 bi-fuel, Intra V50 and ACE EV. We also introduced new-age ADAS technology in vehicles.

### Ace EV

The Ace EV is the first product featuring Tata Motors' EVOGEN powertrain that offers an unparalleled certified range of 154 km. It delivers a safe, all-weather operation with an advanced battery cooling system and regenerative braking system to boost the driving range. The vehicle allows regular and fast charging capabilities for high uptime
