## Tata Ultra Prime CNG

The Tata Ultra Prime CNG is perfectly suited for school and staff transportation, offering best-in-class fuel economy and low Total Cost of Ownership (TCO). This air-conditioned bus provides an unparalleled ride to the passengers. Additionally, the vehicle is equipped with Fleet Edge – Tata Motors' dedicated connected vehicle platform that uses smart technologies to increase vehicle uptime and improve road safety. With best-in-class noise, vibration and harshness (NVH) reduction, tubeless radial tyres and superior ride and handling enabled by parabolic springs, the vehicle delivers a comfortable driving experience.

### USPs:

- Best-in-class fuel economy
- Multiple seating options with air conditioned comfort
- Enhanced passenger and driver comfort with fine-tuned suspension
- New generation telematics for efficient and user-friendly vehicle maintenance and tracking
- Tubeless radial tyres
- Parabolic spring suspension with noise pad at front and rear
- Best-in-class NVH reduction

Applications: School and staff
